Question 01:

A recent analysis at BrightWave Industries shows that employees who leave within the first year often felt poorly integrated into the <u>company culture</u>. As an HR manager, outline a two-part onboarding plan to counteract this trend and enhance long-term retention. How would you measure the effectiveness of your onboarding strategy?

Question 02:

In a world where AI-generated content is increasingly prevalent, an online platform uses AI to detect plagiarism in user submissions. Discuss the <u>challenges of identifying and proving</u> plagiarism in AI-generated content. How should <u>intellectual property laws adapt to address</u> these <u>challenges</u>?

Question 03:

Assess the significance of <u>termination</u> clauses in computer contracts. Under what circumstances can either party terminate the agreement, and what consequences arise from such termination?

NOTE: Please Attach Question paper with the Answer Sheet.

===Good Luck===
